

51st Meeting of the Ophthalmic Oncology Group (OOG)

16-18 February 2017

Erasmus MC Medical Faculty, Rotterdam, the Netherlands

Welcome
to Rotterdam

Rotterdam

Refreshingly Dutch
Remarkably international

Rotterdam is a young, dynamic, international city with a passionately beating heart. The city keeps reinventing itself at a rapid pace while continuously redefining and expanding its already impressive skyline. Most recently having been described as “Reborn to Greatness” and Lonely Planet has chosen Rotterdam to be on their Best in Travel top 5 in 2016.

Easy accessibility

The city of Rotterdam is compact and hotels, congress venue and social activities are within walking distance. The city is easily accessible via the international airport of Schiphol (26 minutes by direct train) or the Rotterdam The Hague Airport (EU flights). Rotterdam Central Station is linked by international high-speed trains (Paris 2 ½ hrs, Brussels 1 ¼ hrs).

Buzzing city

Rotterdam never sleeps, there is always something going on. Every year, new, original festivals are launched. New restaurants, bars, coffee bars and clubs are opening at exciting locations all the time. Leading museums and art institutions, such as the Museum Boijmans Van Beuningen and the Kunsthal Rotterdam, continue to attract attention with high-profile exhibitions. And also the range of shopping opportunities grow day by day, from famous international fashion stores to cool design shops selling products produced locally.
