

## CORR Ophthalmic Imaging Symposium

Date: October 4, 2019  
Venue: World Trade Center, Rotterdam  
Contact: Magda Meester [m.meester-smoor@erasmusmc.nl](mailto:m.meester-smoor@erasmusmc.nl)  
Koen Vermeer [k.vermeer@oogziekenhuis.nl](mailto:k.vermeer@oogziekenhuis.nl)  
Registration: <http://www.corr-rotterdam.nl/symposium>  
Fee: Free

### Lectures Morning Program

9:00-9:30 Registration

9:30-9:35 Prof. Dr. Hans Vingerling, Erasmus MC, Rotterdam, Netherlands  
*Opening*

9:35-10:05 Prof. Dr. Giovanni Staurenghi, University of Milan, Italy  
*Clinical need for ophthalmic imaging*

10:05-10:35 Prof. Dr. Rainer Leitgeb, Medical University of Vienna, Austria  
*State of the art and upcoming technologies*

10:35-11:05 Prof. Dr. Kevin Schey, Vanderbilt University, Nashville, USA  
*Retinal Imaging by Imaging Mass Spectrometry: a True Molecular Microscope*

11:05-11:30 Coffee Break

11:30-12:00 Dr. Lejla Vajzovic, Duke University School of Medicine, Durham, USA  
*Intraoperative imaging: application and developments*

12:00-12:20 Dr. Clarisa Sanchez, Radboudumc, Nijmegen, Netherlands  
*Automated image analysis: where are we going?*

12:20-12:40 Dr. Hans Lemij, Oogziekenhuis Rotterdam, Netherlands  
*Imaging for glaucoma: towards clinical application*

12:40-13:30 Lunch

### Interactive sessions Afternoon Program

13:30-15:00 Session 1 (Moderator: Hans Vingerling)  
*Imaging in the every day clinic: what do I see?*

13:30-15:00 Session 2 (Moderator: Koen Vermeer)  
*Technical challenges and solutions for imaging now and in the future*

15:00- 16:30 Drinks and networking

(15:00 – 17:30) CORR –WAR Proposal meeting (closed meeting)
